

Support for Virtual & Distance Learning Teachers' Community of Practice

Do you want to grow and develop your
Virtual Learning Toolbox?

We will define, explore, and provide on-going support for virtual learning. The course topics will include an overview of the Essential Skills for Virtual Learning, how to incorporate SEL in the synchronous and asynchronous environments, utilizing tech tools, assessing student learning, engaging learners, reaching all learners, and providing supports for struggling students.

Facilitator:

Lisa Bowman, lbowman@sjcoe.net
