

**WE'VE  
PUT MORE  
STEAM  
IN THE  
SCIENCE  
FAIR!**

**SAN JOAQUIN COUNTY  
OFFICE OF EDUCATION**

**Here is what's new  
for the 2020 San  
Joaquin County  
Science, Technology,  
Engineering, Arts, and  
Science (STEAM) Fair:**

- New exhibition categories in science fiction writing, Rube Goldberg machines, robotics, and reverse engineering
- All students will have the opportunity to present their project and share it with STEAM professionals
- Hands-on scientific experiences and exhibits will be open to the public
- Plus, the same great California state-qualifying science and engineering competition
