

CALIFORNIA TOOL FOR INSTRUCTIONAL MATERIAL EVALUATION TRAINING (CA TIME)

District Training of Trainers

Come participate in a three-day training on how to use the CA Tool for Instructional Material Evaluation. This CISC-designed tool provides the support needed to analyze NGSS aligned materials/curriculum that might be suitable for adoption. These trainings are designed to train a team so they can return back to their districts and facilitate the process with their stakeholders.

- **January 16th – 18th**
8:30 am to 3:30 pm
To register please visit: <https://goo.gl/enpECF>
- **March 25th – 27th (2nd Offering)**
8:30 am- 3:30 pm
To register please visit: <https://goo.gl/gjGtx7>

District Team Facilitation

Come participate in a four-day facilitated use of the CA Tool for Instructional Material Evaluation. This CISC-designed tool provides the support needed to analyze NGSS aligned materials/curriculum that might be suitable for adoption. SJCOE facilitators will guide district teams through the CA TIME process so they can leave with the data to recommend materials to pilot.

- **July 23rd – 26th**
8:30 am – 3:30 pm
To register please visit: <https://goo.gl/uTz79B>
