

# Online Environmental Literacy Conference

Hosted by:

The California Regional Environmental Education Community Network

The California Regional Environmental Education Community (CREEC) Network is hosting its first online Environmental Literacy Conference on Wednesday January 22, 2020 from 1:00pm-5:00pm. This online conference will operate through Zoom Meeting links and include sessions sharing resources from a variety of projects that have worked to integrate state academic content standards, environmental literacy and outdoor learning experiences into lessons with students or teacher training opportunities. The CREEC Network is a program of the California Department of Education (CDE).

**Step 1:** Subscribe to the CDE Environmental-Science listserv to receive more information about this online virtual Environmental Literacy Conference (including Zoom links to join in the sessions listed above).

Visit a Region web page at [www.creec.org](http://www.creec.org) to read our Highlight about this event and view full session descriptions.
