CA Environmental Phenomena Summit

#ProjectPhenomena

The CA Environmental Phenomena Summits in Santa Cruz!

Spend two days collaborating with local science experts and other educators from the region. Learn about local, environmentally-focused phenomena. Deepen your understanding of phenomena and California's Environmental Principles and Concepts. Contribute to a resource that will be shared with other educators.

The instructional resource will:

- Identify a useful, environmentally-focused phenomenon
- Provide a grade-level appropriate explanation that incorporates Disciplinary Core Ideas and Crosscutting Concepts
- Highlight possible student activities that emphasize the Science and Engineering Practices
- Connect to the Environmental Principles and Concepts

Designed for K-12 Classroom Teachers and out-of-school **educators experienced with NGSS** and interested in environmental phenomena.

This project is funded through Budget Act of 2017, Item 6100-488-0001, Provision 6

Oct. 3-4, 2019

8:30 a.m. to 4 p.m.

Check-in for the two-day summit begins at 7:30 a.m.

\$150 per attendee.

Fee includes all materials, continental breakfast and lunch on both days.

Deadline for registration: Sept. 13, 2019

 Seymour Marine Discovery Center
100 McAllister Way
Santa Cruz, CA 95060
