Looking for a valuable experience this summer?

Join Our Summer Program

- Develop new skills
- Improve your resume and college applications
- Connect to UC Berkeley
- Discover new career paths
- Explore science
- Share your passion
- Accumulate community service hours

Programs available in the summer

Ingenuity Challenges – Participate in rotating engineering activities while engaging visitors in designing, building, and testing their own prototypes.

Floor Facilitation– Engage families on exciting floor activities and learn about facilitating exploration of various exhibits and special events with the support of expert educators.

Summer Camps Explore summer learning as a Camp Counselor in Training by leading STEM-related activities with camp instructors.

Explore extended opportunities available year-round

Continue in the same program you applied for the summer under a more flexible schedule or switch to other programs available year round.

Animal Discovery Room – Facilitate simple and fun activities about animals with visitors, and assist with socializing, grooming, or animal husbandry.

Biotech Lab – Use tools of biotechnology and experience hands-on encounters with real microorganisms.
